

PENALTY AND INTEREST RATES

As a result of legislation passed by the Ohio General Assembly, penalty and interest rates for Ohio municipal income tax for tax years beginning on or after January 1, 2016 will be as stated below.

Penalty – Unpaid Tax

A penalty may be imposed on unpaid income tax, including unpaid estimated income tax, equal to 15% of the amount not timely paid.

A penalty may be imposed on unpaid employer withholding tax equal to 50% of the amount not timely paid.

Late Filing Penalty

A late filing penalty of \$25 will be assessed on all returns filed after the tax deadline. This late filing penalty applies regardless of the liability on the return.

Interest – Unpaid Tax

Interest shall be imposed on all unpaid income tax, unpaid estimated income tax and unpaid employer withholding tax. The interest rate to be applied each calendar year is the federal short-term rate, rounded to the nearest whole number percent, plus five percent (5%). The rate shall apply for the calendar year next following the July of the year in which the federal short-term rate is determined under Section 1274 of the Internal Revenue Code.

| Calendar Year | Annual Interest Rate |
|----------------------|-----------------------------|
| 2024 | 10% |

Tax filings and tax payments related to tax years beginning before January 1, 2016 are subject to the penalty and interest rates and late filing penalties, if any, imposed by each municipal income tax ordinance in effect prior to January 1, 2016 – regardless of the date of filing or payment.
