

SECURITY

1. Regardless of the duration or size of the event, the presence of a Warren City Police Officer is mandatory during the hours of operation. The officer will be furnished by the event organizers, at their cost.
2. Private security will only be used during the non-operational hours and furnished by the event organizers at their expense.
3. If alcoholic beverages are to be served during the event, the presence of an additional Warren City Police Officer is mandatory. This will be done at the expense of the event organizers.
4. Scheduling of event security should be coordinated with the City Event Coordinator.
