

Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)

Grantees eligible to receive funds under the Homelessness Prevention and Rapid Re-Housing Program (HPRP) are required to complete a substantial amendment to their Consolidated Plan 2008 Action Plan. This form sets forth the required format for this substantial amendment. A completed form is due to HUD within 60 days of the publication of the HUD HPRP notice.

To aid grantees in meeting this submission deadline, the HPRP Notice reduces the requirement for a 30-day public comment period to no less than 12 calendar days for this substantial amendment. With this exception, HPRP grantees are required to follow their Consolidated Plan's citizen participation process, including consultation with the Continuum of Care (CoC) in the appropriate jurisdiction(s). Grantees are also required to coordinate HPRP activities with the CoC's strategies for homeless prevention and ending homelessness. To maximize transparency, HUD strongly recommends that each grantee post its substantial amendment materials on the grantee's official website as the materials are developed.

A complete submission contains the following three documents:

- 1) A signed and dated SF-424,
- 2) A completed form HUD-40119 (this form), and
- 3) Signed and dated General Consolidated Plan and HPRP certifications.

For additional information regarding the HPRP program, visit the HUD Homelessness Resource Exchange (www.hudhre.info). This site will be regularly updated to include HPRP resources developed by HUD and its technical assistance providers.

Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)

B. Citizen Participation and Public Comment

1. Briefly describe how the grantee followed its citizen participation plan regarding this proposed substantial amendment (limit 250 words).

Response:

The City of Warren's Community Development Department attended the Trumbull County Housing Collaborative's (local CoC) March meeting to announce the availability of the HPRP funds and also sent a mass e-mail to all agencies providing HPRP eligible activities in Warren. A public meeting was conducted to discuss the program and to invite agencies to apply for funding. It was determined at that meeting that a partnership between the City and two service agencies would be able to reach participants in the greatest of need. The Citizens Review Committee was convened for a funding meeting held on April 21, 2009. Those present listened to the recommendations of the CD staff and approved the proposed funding plan. The public comment period was held from May 1 to May 12, 2009. The recommendations were adopted by Warren City Council at the May 13, 2009 session.

2. Provide the appropriate response regarding this substantial amendment by checking one of the following options:

- Grantee did not receive public comments.
- Grantee received and accepted all public comments.
- Grantee received public comments and did not accept one or more of the comments.

3. Provide a summary of the public comments regarding this substantial amendment. Include a summary of any comments or views not accepted and the reasons for non-acceptance.

Response:

No comments were received.

C. Distribution and Administration of Funds

Reminder: The HPRP grant will be made by means of a grant agreement executed by HUD and the grantee. The three-year deadline to expend funds begins when HUD signs the grant agreement. Grantees should ensure that sufficient planning is in place to begin to expend funds shortly after grant agreement.

Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)

1. Check the process(es) that the grantee plans to use to select subgrantees. Note that a subgrantee is defined as the organization to which the grantee provides HPRP funds.

- Competitive Process
 Formula Allocation
 Other (Specify: _____)

2. Briefly describe the process(es) indicated in question 1 above (limit 250 words).

Response:

The City of Warren's Community Development Department attended the Trumbull County Housing Collaborative's (local CoC) March meeting to announce the availability of the HPRP funds and also sent a mass e-mail to all agencies providing HPRP eligible activities in Warren. We conducted a public meeting to discuss the program and to invite agencies to apply for funding. After much discussion with the agencies in attendance, it was determined that best course of action – to reach the greatest needs population – was for the City to partner with Catholic Charities Regional Agency and Coleman Professional Services. The Citizens Review Committee attended a funding meeting held on April 21, 2009. Those present listened to the recommendations of the CD staff and approved the proposed funding plan.

3. Briefly describe the process the grantee plans to use, once HUD signs the grant agreement, to allocate funds available to subgrantees by September 30, 2009, as required by the HPRP Notice (limit 250 words).

Response:

Given that the subgrantees were chosen in April of 2009, the city will have approximately four months to create and review subgrantee agreements for immediate execution upon the receipt of HUD's grant agreement.

4. Describe the grantee's plan for ensuring the effective and timely use of HPRP grant funds on eligible activities, as outlined in the HPRP Notice. Include a description of how the grantee plans to oversee and monitor the administration and use of its own HPRP funds, as well as those used by its subgrantees (limit 500 words).

Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)

Response:

The City of Warren has the capacity and structure in place currently for the effective and timely use of CDBG and HOME entitlement funds. The City will mirror those policies to ensure compliance with the HPRP grant. We will be utilizing a reimbursement only procedure with the subgrantees to ensure that all expenses paid for with HPRP funds are eligible. The City maintains a good working relationship with each of the partnering agencies. They have shown to be effective and compliant with regards to CDBG and HOME projects.

D. Collaboration

1. Briefly describe how the grantee plans to collaborate with the local agencies that can serve similar target populations, which received funds under the American Recovery and Reinvestment Act of 2009 from other Federal agencies, including the U.S. Departments of Education, Health and Human Services, Homeland Security, and Labor (limit 250 words).

Response:

The City has proven to have a good working relationship with all area agencies serving similar target populations, in that we work closely with the Trumbull County Housing Collaborative, the local CoC. The grantee also collaborates, partners and shares information and resources with the Warren City School system, other local and state government offices, and numerous agencies and organizations that receive other Federal funds. Through local, regional and state information systems, the grantee will promote the use of our HPRP funds and maintain a referral mechanism so that target populations are served to the best of our availability and to their greatest benefit.

2. Briefly describe how the grantee plans to collaborate with appropriate Continuum(s) of Care and mainstream resources regarding HPRP activities (limit 250 words).

Response:

The grantee holds a position on the Trumbull County Housing Collaborative, the local CoC, and attends the monthly meetings. Grantee staff were intricately involved in the creation of the 10 year plan to end homelessness, served on the Point in Time subcommittees and continues to be highly involved. The Collaborative is unique in that all agencies within Trumbull County that serve homeless, near homeless, and working poor are represented and are actively involved. The City continues to foster a good working relationship with the Collaborative and its members.

Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)

3. Briefly describe how HPRP grant funds for financial assistance and housing relocation/stabilization services will be used in a manner that is consistent with the grantee’s Consolidated Plan (limit 250 words).

Response:

In keeping with the Consolidated Plan, the HPRP funds will easily compliment the strategies identified to assist with those persons and families that are homeless and near homelessness. The Consolidated Plan calls for continued assistance to the Trumbull County Housing Collaborative (CoC) and the implementation/coordination of the 10-year plan to end homelessness. These funds will support the goals of the plan and undoubtedly exceed our expectations. If left to resources other than HPRP, the targeted population served would have been much smaller, compared to the actual population in need.

E. Estimated Budget Summary

HUD requires the grantee to complete the following table so that participants in the citizen participation process may see the grantee’s preliminary estimated amounts for various HPRP activities. Enter the estimated budget amounts for each activity in the appropriate column and row. The grantee will be required to report actual amounts in subsequent reporting.
