

FREE KINDERGARTEN READINESS PROGRAM

If you, or someone you know, has a child in the neighborhoods of **Jefferson** or **Willard** Schools who will be attending kindergarten in the **fall of 2010**, please tell them about **SPARK** – a **free** kindergarten readiness program!

SPARK (Supporting Partnership to Assure Ready Kids) provides:

- Skill building activities working with colors, numbers and letters
- **Free books** and craft supplies for children
- **Gift cards** for parents
- Monthly meeting around your (or another adult family member's) schedule with a Parent Partner at your home or another convenient location you choose
- **A kindergarten backpack filled with their school supplies**

Children can participate in SPARK in addition to their preschool, childcare or Head Start classroom. SPARK will enhance, not replace, services or programs your child may be currently receiving!
