**UPDATED INFORMATION EFFECTIVE 6-1-17**

All customers are issued one 96 gallon Toter. Please contact the department if one is not at your residence.

All garbage, before deposit in the container, shall be bagged and tied.

All refuse including plastic, paper or cloth bags shall be put into the container. No bags\* shall be permitted outside the container. To arrange delivery of additional Toters, please call the office. If the Toter becomes full, an additional Toter must be used. If it fits in the Toter with the lid closed, it should be in the Toter.

\*All leaves and grass to be collected outside of the container must be in biodegradable paper bags.

Toter(s) shall be placed curbside the evening before the designated collection day with the arrow facing toward the street and handle toward the house and be removed to an appropriate rear or side location no later than 12 hours after pick up.

Each Toter must have at least **3 feet clearance** around it.

Items such as furniture, mattresses, box springs, pool liners, etc. will be picked up on your scheduled pick-up day. Please make sure items are at least 3' from Toter.

Anything over 2 cubic yards will be assessed a minimum of \$75.00 on the utility bill. Fees will be assessed to the account holder and/or property owner.

Limbs and brush must be cut in 4' lengths or less and tied in bundles—35# maximum.

City of Warren **will not** collect construction debris at the curb. Owner or occupant shall be responsible for removal and disposal. Construction debris consists of wood, paneling, dry wall, bricks, concrete, roofing materials, floor tile, windows, doors, etc.

Roll-off boxes (6, 10, 15 & 20 yard) are available to rent and can be used for the disposal of construction and other non-hazardous debris.

A “non-collection” notice will be issued when the above guidelines are not followed and your garbage may be left until the problem is corrected. A service fee of \$45.00 may be assessed when multiple non-collection notices are issued.

**Proper Toter placement**

**Incorrect Toter placement**

### What is NOT part of the standard collection:

Construction debris as defined by the Ohio Environmental Protection Act.

⇒ Construction debris can be disposed of by renting a roll-off box. Roll-off boxes are available in 6, 10, 15, and 20 yard sizes.

Hazardous or Environmental Waste as defined by the U.S. EPA Environmental and Hazardous Waste Codes.

Paint, solvents, or car parts are not permitted in the Toter, nor will they be picked up curbside.

Bulk Waste: household appliances including, but not limited to: washers, dryers, stoves, refrigerators, microwave ovens, compactors, televisions, stereo equipment, computers and computer accessories, such as printers, monitors, keyboards, etc., hot water tanks, furnaces, air conditioners,

dehumidifiers, humidifiers, sump pumps, workout equipment, basketball hoops, etc.

⇒ Bulk waste shall be collected at an additional cost of fifteen dollars (\$15.00) per item, and upon arrangements made in advance by the parties disposing of same.

Tires from any of the following: motorized vehicles, bicycles, wagons, trailers, and any vehicle or equipment using rubberized tires as mode of movement for that item.

⇒ Used tires can be dropped off at the Environmental Services Department from April 1 through October 31 during the hours of 7:00 a.m. to 1:00 p.m. Limit of five (5) tires per household, per month. Proper proof of city residency required. A fee of \$20.00 per tire will be applied to the utility account if tires are dumped from the container.
