Section 2. Authorized Principal Amount and Purpose. This Council determines that it is necessary and in the best interest of the City to issue bonds of the City in one lot in the maximum principal amount of \$400,000 (the Bonds) for the purpose of resurfacing and otherwise improving one or more municipal parking lot.

The aggregate principal amount of Bonds to be issued shall not exceed \$400,000 and shall be issued in an amount determined by the Fiscal Officer in the Certificate of Award to be the aggregate principal amount of Bonds required to be issued at this time, taking into account any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, in order to effect the purpose for which the Bonds are to be issued, including the payment of any expenses properly allocable to the issuance of the Bonds and payment of any accrued interest as determined to be in the best interest of the City by the Fiscal Officer.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date; provided that, the entire principal amount may be represented by a single bond with multiple Principal Payment Dates as described below. The Bonds shall be dated as provided in the Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of 12 30-day months) as shall be determined by the Fiscal Officer in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature on the Principal Payment Dates in principal amounts as shall be determined by the Fiscal Officer, subject to subsection (c) of this Section, in the Certificate of Award, consistent with the Fiscal Officer's determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the Fiscal Officer's determination of the best interest of and financial advantages to the City, the Fiscal Officer shall specify in the Certificate of Award the aggregate principal amount of Bonds to be issued, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing on each Principal Payment Date, shall that (i) the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year and (ii) the true interest cost of the Bonds shall not exceed 5.50% per year.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar; provided, however, that if the entire principal amount of the Bonds is represented by a single bond with multiple Principal Payment Dates, the Bond need not be presented for payment until the maturity date. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day preceding that Interest Payment Date, or by federal wire transfer if so provided in the Certificate of Award.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Optional Redemption.** The Bonds of the maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the City, in whole or in part in integral multiples of \$100, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Fiscal Officer in the Certificate of Award; provided that the redemption price for the earliest optional redemption date shall not be greater than 102%. The Certificate of Award may provide that the Bonds are subject to redemption only in whole.

(iii) **Partial Redemption.** If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of \$100 or any integral multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$100 are then outstanding, each \$100 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$100. If it is determined that one or more, but not all, of the \$1,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$100 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the \$100 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmaturing and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) **Notice of Redemption.** The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the fifteenth day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) **Payment of Redeemed Bonds.** In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Section 7, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4. Execution and Authentication of Bonds: Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Fiscal Officer, shall be numbered as determined by the Fiscal Officer in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code and this Ordinance.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Fiscal Officer on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

The Fiscal Officer is authorized to appoint a Bond Registrar in the Certificate of Award, which may be the City Auditor, or if a bank or trust company only after determining that such bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. If required by the Bond Registrar, the Auditor shall sign and deliver, in the name and on behalf of the City, a registrar agreement between the City and the Bond Registrar, in a form not inconsistent with this ordinance and not substantially adverse to the City and as approved by the Auditor on behalf of the City, all of which shall be conclusively evidenced by the signing of such registrar agreement or amendments thereto. The City shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to any registrar agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 5. Registration; Transfer and Exchange.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Fiscal Officer and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmaturing principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

Section 6. Award and Sale of the Bonds.

(a) Original Purchaser Designated in Certificate of Award. The Bonds shall be sold at private sale to the Original Purchaser at a purchase price, not less than 97% of their aggregate principal amount, to be determined by the Fiscal Officer in the Certificate of Award, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Fiscal Officer with and upon such other terms as are required or authorized by this Ordinance to be specified in the

Certificate of Award, in accordance with law and the provisions of this Ordinance. As further described below, the Fiscal Officer is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The Fiscal Officer shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Fiscal Officer, Director of Law, Clerk of Council, and other City officials, as appropriate, are authorized and directed to sign any transcript certificates, financial statements, and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

In addition to making the designations herein authorized, the Fiscal Officer is specifically authorized, pursuant to this Ordinance and Section 133.30(B) of the Revised Code, to sell and deliver the Bonds, together with other general obligation bonds of the City having the same or similar terms, in a single consolidated issue of securities to be designated "Various Purpose Improvement Bonds, Series 2022"; provided that if the aggregate amount of the Various Purpose Improvement Bonds exceeds \$1,000,000 then no bond shall be issued, or exchangeable for other bonds, in a denomination less than \$100,000. If so consolidated, that consolidated issue shall bear such terms as are provided in this Ordinance and the Ordinances authorizing the other issues to be combined with the Bonds herein authorized.

Section 7. Application of Proceeds. The proceeds from the sale of the Bonds (except any premium and accrued interest) shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any proceeds to be used for the payment of any expenses properly allocable to the issuance of the Bonds, as determined by the Fiscal Officer, shall be paid into the proper fund or funds. Any proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the 10-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. In each year, to the extent other funds are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of the money so available and appropriated.

Subject to the determination by the Auditor in the Certificate of Award that it is in the best interest of and financially advantageous to the City to provide the following covenant, the City hereby covenants, subject and pursuant to the Constitution and laws of the State of Ohio, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from the City's lawfully available municipal income taxes, and to continue to levy and collect its existing municipal income taxes to the extent authorized, in amounts necessary to meet the annual debt charges payable on the Bonds. If that covenant is made by the City as determined by the Auditor, in each year to the extent receipts from the City's municipal income tax are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, the amount of the ad valorem property tax for the levy of which provision is made above shall be reduced by the amount of such income tax receipts so available and appropriated in compliance with that covenant.

Section 9. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of them for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for them, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Fiscal Officer, or any other officer of the City having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation of the Bonds as "qualified tax-exempt obligations"), choice, consent, approval or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt charges on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Bonds.

Section 10. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and a signed copy of the Certificate of Award to the Trumbull County Auditor.

Section 11. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services, whether or not the Bonds are ever issued. The Fiscal Officer is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 12. Placement Agent Services. The services of Piper Sandler & Co., as placement agent (the "Placement Agent"), be and are hereby retained. In rendering those placement agent services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those placement agent services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those placement agent services. The Fiscal Officer is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

FISCAL OFFICER'S CERTIFICATE

To the Council of the City of Warren, Ohio:

As fiscal officer of the City of Warren, I certify in connection with your proposed issue of bonds in the maximum aggregate principal amount of \$400,000 (the Bonds), to pay costs of resurfacing and otherwise improving one or more municipal parking lot (the Municipal Parking Lot Improvements), that:

1. The estimated life or period of usefulness of the Municipal Parking Lot Improvements is at least five years.

2. The maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is at least 15 years, because the average number of years of life or period of usefulness of the Municipal Parking Lot Improvements, as measured by the weighted average of the amounts expended or to be expended for the categories of property included in the Municipal Parking Lot Improvements, is at least 15 years. Although the estimated life or period of usefulness of certain categories of property included in the Municipal Parking Lot Improvements, calculated in accordance with Section 133.20 of the Revised Code, is less than 15 years, a sufficient portion of the proceeds of the Bonds will be allocated to a category or categories of property having an estimated life or period of usefulness in excess of 15 years, that the weighted average of the amounts expended or to be expended for the various categories of property included in the Municipal Parking Lot Improvements will be at least 15 years.

Dated: October 12, 2022

Auditor
City of Warren, Ohio
