## Home Ownership Loan Program

home ownership loan program to assist low to moderate income individuals with down payment assistance on mortgage loans.

Through the U.S. Department of Housing and Urban Development's Home Program, eligible borrowers can receive a deferred loan from the Consortium for \$5,000 or 20% of the purchase price, whichever is less. If the home was purchased in a City or the County, the maximum would be \$5,000 or 20% of the purchase price, whichever is less. This program is listed on the website, (www.warren.org). The local lenders on the back of the brochure will finance the remaining balance for up to 30 years at the current fixed real estate loan rates.

### TERMS

The consortium will provide a zero percent (0%) interest loan, forgivable at the end of five (5) years provided you meet the terms and conditions. The deferred loan will be secured by a second mortgage on the property. The buyer must agree to remain the occupant of the property for a minimum of five (5) years from date of transfer of title and then a Satisfaction of Mortgage will be done which releases the lien that was placed on the house.

**Subordination:** If the owner wishes to use the property as a source of collateral for a future loan, the City's policy is to **NOT SUBORDINATE.** In such cases the owner must reimburse the full amount of the loan.

Please inform us if you need an interpreter for the hearing impaired or for non-English speaking persons prior to scheduling a meeting with any Community Development Staff.
